Listening Music | Painting

PROJECTS

Blog Web App | July 2023 | [DEMO VIDEO](#) | [VIEW](#)

- Developed with the help of React.js and Firebase.
- In this, you are able to create your own blogs, and you can even view others blogs. In this, authentication and authorization are provided with the help of Firebase.
- Bootstrap framework is also used to provide responsiveness.

ShrubIt | May 2023 | [DEMO VIDEO](#) | [VIEW](#)

- Implemented with the help of React.js and Firebase.
- An e-commerce web app for plants, pots, and other tools and accessories.

Bulletin Board | Jan 2023 | [VIEW](#)

- Designed and developed with the help of React.js.
- A unique note-making and organizing app to take textual notes and arrange them on board.

Tic Tac Toe Game | August 2022 | [VIEW](#)

- Implemented an interactive tic tac toe game with the help of JS.
- Tic Tac Toe game is a very famous game that we all play during our childhood.
- Fun 2-player game where players try to get 3 of their symbols, either "X" OR "O" in a row before their opponent is able to.

TRAINING

Web Development | Jan 2022 – March 2022

- Completed eight weeks online training on **Web Development** from **Internshala** platform.
- Learned how to develop a website from scratch.
- I also learned programming languages such as **JavaScript** and **PHP**.
- I also got to know about two important frameworks, namely **Bootstrap** and **React.js**.

ACHIEVEMENTS

- **Certificate of Appreciation** for Round 1 and Round 2 of **Innovate India Coding Championship** awarded by Coding Ninjas and AICTE in collaboration with Chandigarh University.
- Earned **4 star** on **Hackerrank** platform in **JAVA** and **3 star** in **SQL**.
- Secured **44 rank** in Web Development Quiz planned by **GTBIT**.
- Achieved **172 rank** in **Diva Code** organized by **HopeConflict E-learning and IT-Solution**.
- Secured **203 rank** in **All India Placement Aptitude Test** organized by **IIT Kharagpur**.
